# **THE Phantom** If you

weren't at the last meeting you surely missed out on seeing four genuinely outstanding Miss Showgirl entrants do their presentations. The competency level of these young ladies was outstanding to put is mildly. Each entrant presented in an entertaining manner with a fair sprinkling of humour included. A four way dead heat would be the only fair result to give if I was the adjudicator.

Unfortunately a photograph of Tegan Burt isn't available

## Last meeting — December 6th.

We were very pleased indeed to welcome Therese Evert who was doing the honours with the showgirl entrants in what appeared to be a very competent manner. Any time Therese and the showgirl entrants would like to attend our meetings is quite OK with me.

It was good to see Nowra Club PP Polly Hill at our meeting,. Polly was doing the sales and marketing of the Christmas Puddings and I think she managed to sell the entire stock she brought with her..

Rhonda and Cliff Bunton appear interested in the activities of the club and we sincerely hope their interest continues to the point where they become members.

## NEVER UNDER ESTIMATE OUR CANINE FRIENDS.

A man running a little behind schedule arrives at the cinema, goes in to watch the movie that has already started, and as his eyes adjust to the darkness, he is surprised to see a dog sitting beside its master in the row ahead, intently watching the movie.

It even seemed to be enjoying the movie: wagging its tail in the happy bits, drooping its ears at the sad bits, and hiding its eyes with its paws at the scary bits.

After the movie, the man approaches the dog's owner, "Wow, your dog really seemed to enjoy the movie. I'm amazed!"

"Yes, I can't believe it myself," came the reply. "He hated the book."

**There was this lady who was visiting a church one Sunday. The sermon seemed to go on forever, and many in the congregation fell asleep.**

**After the service, to be social, she walked up to a very sleepy looking gentleman, extended her hand in greeting, and said, "Hello, I'm Gladys Dunn."**

**And the gentleman replied, "You're not the only one ma'am, I'm glad it's done too!"**

## **WHAT HAPPENS TO DONATIONS TO THE ROTARY FOUNDATION?**

Giving works because Rotary works. We are proud that 90.8 percent of donations go straight to supporting our service projects.

**It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even farther. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.**

Our 35,000 clubs carry out sustainable humanitarian service projects. Using donations like those from your club, we've wiped out 99 percent of all polio cases. Your donations train future peacemakers, support clean water, and strengthen local economies.

### **THESE AND OTHER QUESTIONS MAY NEVER BE ANSWERED**

**How is it that we put a man on the moon before we figured out it would be a good idea to put wheels on luggage?**

**Why is it that people say they "slept like a baby" when babies wake up like every two hours wet.**

**If a deaf person has to go to court, is it still called a hearing?**

**Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?**
