PRESIDENTS REPORT - 14th Sept

What a terrific birthday party.

With a roll up of 35 of our 39 members plus another 45 guests, the bowling club was packed to the rafters.

Narelle and her team did a fantastic job in organizing everything and after it all went off without a hitch you could find Nellie slumped at a table sipping a well deserved white wine.

Our dignitaries, Peter Ford - (Rotary District Governor), Noel Trevaskas – (Past Rotary International Director), Amanda Findley – (Shoalhaven Mayor) and Gareth Ward - (State Member for Kiama) all gave speeches that praised Rotary generally, recognized our club for its contribution to the community and congratulated us on our 60th birthday.

A highlight of the night was the distribution of the booklet - **MEMORIES AND SERVICE - 60 YEARS.** Written by Col Hanbridge, a member of the Rotary Club of Berry for the past 44 years, and edited by Grahame Sweeney, our director responsible for Public Relations, this booklet is a fantastic record of many of the activities of our club during its first 60 years and will be a great keepsake for many of our members.

Inducting new members into our club is a special event and on Thursday night we admitted Laurelle and Ray Price to the Rotary Club of Berry and welcomed them into the worldwide fellowship of Rotary.

Much has been said about our International & Foundation Director, Ken Hutt and his incredible journey to Everest Base Camp when he led an Expedition of 21 people which included several Rotarians and raised more than \$180,000 towards Rotary's mission to eradicate Polio from the face of the earth. Ken presented Garry Wilbraham, Secretary Manager of Bomaderry Bowling Club, with a framed Everest Assault Team Shirt as gratitude for his generous gesture in providing all the Everest Assault Team with their shirts.

Thank you to all those who came to our special 60th birthday party and helped us celebrate this significant and memorable event.

YIR, Pres. Terry

Membership & Vocational from Jenny Delahunty

Hello Fellow Rotarians .

At our recent night meeting we had two new guests Pat and Horst Bleuel. It was Pats first meeting and Horst has now been to night and breakfast meetings and we hope they like what Rotary is all about to want to join. I've had a few leads on potential members but so far my efforts have been in vain.

Neil Gatterley one our trekkers and a person who has attended a few meetings has decided he wants to be a part of Rotary and the obligatory fireside chat is about to happen.

At our Field Day I had some nice conversations with a few people and I pushed Rotary's band wagon. Keep up the good work by spreading the good name of Rotary and the good things we do as a club.

Cheers Jenny D

We now have eight female members, here are four of them at the party in their Sunday best..

As a little girl, Michelle Payne (Teresa Palmer) dreamt of winning the Melbourne Cup
- horse-racing's toughest two-mile race.

With the odds set at 100 to 1, Michelle, with Stevie as her strapper, rides Prince of Penzance
in the 2015 Melbourne Cup; and as they say.... the rest is history.

Ride Like A Girl directed by renowned Australian actor and now director Rachel Griffiths
beautifully captures Michelle's heart-warming and inspiring story.

Dear Rotary Club of Berry members,

I am honored to congratulate the Rotary Club of Berry, New South Wales, Australia on its 60th anniversary.

Since your club was chartered, you have made the commitment not only to represent Rotary in your community, but also to do significant, meaningful work from which your community will benefit.

We all live in our communities, in our countries, together on this planet. And when we join Rotary — when we give back through Rotary with our abilities, our time, and our resources — we are declaring that we know that our presence on this globe carries with it the obligation to serve.

All of the service that Rotary does, all of the lives we change, all of the children in the world who will never, ever get polio — all of this happens because we, joining together through Rotary, are strong. Because Rotarians, with the family of Rotary, have risen to the challenge, paid their civic rent, and met their obligations as members of their global and local communities.

Each Rotary club is unique in its own way. By reaching this milestone, you have shown your commitment to our organization and to all that Rotary does and hopes to do. Congratulations once again on your 60 years. I know that you will continue to serve your community and beyond for many more years to come as *Rotary Connects the World*.

Kindest regards,

The Berry Small Farm Field Day .

Whilst the annual Field Days event is now behind us I want to take the opportunity to sincerely thank all club members who played a part in staging this year's event. It was surprisingly successful, considering the crook weather we experienced on that weekend, particularly on the Saturday when gale force winds wreaked havoc across the whole area including the Showground. Your efforts to support the event are acknowledged and once again I thank you whole heartedly for the contributions you all made. Whilst its too early to give you a bottom li8ne yet, you can be proud of the fact that the event will still raise significant funds for the club's community projects, youth programs and international aid projects.

Prior notice is hereby given of preparations for 2 club events coming up in December.

Berry Xmas Parade

Most of you would remember this event as the Berry Merry Xmas Parade. We have been asked to stage the street parade for this event on December 11th. A meeting to start the planning for the parade will be held this coming Tuesday night 17 September at 7.30 pm at the Uniting Church Friendship room. In concert with planning for the parade, Haseena and Ken Hutt are organising training shortly for traffic wardens to assist with this parade and the parade associated with the annual Celtic Festival in May next year. Please consider nominating for the traffic warden training. We are hoping to organise it as a one day workshop.

New Years Eve Family Fireworks Spectacular.

This annual fun event is being coordinated this year by Immediate Past President Peter Stinson. The initial event planning meeting will be held this Thursday evening at 7.00 pm in the uniting church hall. Please note our usual venue, the Friendship room is unavailable and we are meeting next door in the Church Hall.

This is an ideal opportunity to get onto an organising committee and I would encourage newer members to throw their hat in the ring – it's a reasonably simple event with setup in the afternoon of the event and put away the next morning – it's not a big job! **Paul Andersen Director Community Service.**

Grammar Lesson

Is it "Complete", "Finished" or "Completely Finished"?

No English dictionary has been able to adequately explain the difference between these two words - "Complete" and "Finished". In a recent linguistic competition held in London and attended by, supposedly, the best in the world, Samdar Balgobin, a Guyanese man, was the clear winner with a standing ovation which lasted over five minutes.

The final question was: "How do you explain the difference between COMPLETE and FINISHED in a way that is easy to understand? Some people say there is no difference between COMPLETE and FINISHED."

Here is his astute answer: "When you marry the right woman, you are COMPLETE. When you marry the wrong woman, you are FINISHED. And, when the right one catches you with the wrong one, you are "COMPLETELY FINISHED!"

He won a trip around the world and a case of 25 year old Scotch.

Q: What do you call an alligator in a vest?

A: An Investigator!
