JUST A BIT MORE FROM THE CHRISTMAS PARTY

AIN'T LOVE GRAND, NO DOUBT ABOUT THESE TWO!

OUR NEWEST MEMBER SHONA WITH HUSBAND PAUL

From;

“The President“

Hope you all had a good break, plenty food and plenty of relatives. (You love them dearly but it is quite good to see the taillights as they leave Berry). The Stinson household has descended into peaceful quiet as at one stage we had 12 guests crammed into our house.

New Years Eve was a great success due to the efforts of the team under the leadership of PP Paul. It was good to see so many turn up to give a hand and in spite of the local competition offering free fireworks and some dramas about where we put signs, the gates were busy all night. Some people stayed till the death at 10:30 and I believe “Red” the guy in charge of the Carnival rides was quite happy with the turnout.

So, what does 2019 hold? Australia day coming soon, the Berry Show and the Galvanised shield (hint to Mick). Our fearless trekkers leave for base camp in April.

Our finances for 2019 are looking good and shortly we should be paying out monies to nominated local groups from the BSFFD and New Year. We have given out \$16,000 in drought relief to local farmers and have a couple more in our sites for relief. One of the things I espoused about my Presidency was an increase in our penetration into the community through identifying local needs such as drought relief, Paradise farm and local good neighbour works such as building fences. Still looking for opportunities for the latter and if you know of someone who genuinely needs a hand with a job around the place, let us know.

Meeting next Thursday. This will be a club assembly. A good venue to discuss the Fireworks, and the upcoming busy month in the BBQ and Grill

The month of December last year had 5 Saturdays, 5 Sundays, and 5 Mondays. It only happens once every 823 years. The Chinese call it "BAG FULL OF MONEY". Send this message to all your friends and within 4 days the money will surprise you.

Based on Chinese Feng Shui, the one who does not transmit this message can lose this great opportunity ...

I did my part, and it didn't work!

The Australia Day Breakfast

January 26th

(PP Narelle's Special Event)

Then it will be Showtime.

February 1st & 2nd 2019

It's another demanding event where many hands make light work, please keep some time available over these two days.

Editors Note; If you've any constructive criticism of the club and the way in which it's managed, a Club Assembly gives you the opportunity to have your say, that's the reason these meetings are scheduled.

Cell Phones are not conversation killers really.

Here We Go Again.

An Oldie but a Goldie

Freddie is going skydiving for the first time.

After listening to the instructor for what seems like hours, he is ready to go.

Freddie goes up in the airplane and waits to get to the proper altitude.

Excited, he jumps out of the airplane.

After a bit, he pulls the ripcord & nothing happens.

He tries again still nothing happens.

He starts to panic but remembers his backup chute.

He pulls that cord & again nothing happens.

He frantically begins pulling both cords but to no avail.

Suddenly he looks down and he can't believe his eyes.

Another man is in the air with him, but this guy is going up!

Just as the other guy passes by, the skydiver, by this time scared out of his wits, yells, "Hey, do you know anything about skydiving?"

The other guy yells back, "No! Do you know anything about gas stoves?"
