

# 2021 Berry Celtic Festival

The 14th Berry Celtic Festival features the Welsh nation.

The Berry family, after whom the town Berry was named, have a Celtic heritage and the whole district has strong Celtic links due to the migration of pioneering Irish and Scottish families.

The Berry Celtic Festival celebrates this heritage.

Celts were not just Scots and Irish. In its westward migration from the Caspian, the Celtic tribes set down roots in many areas of Europe. From Brittany and Galicia on the western fringe of the European continent, to Ireland, Scotland, Isle of Man, Wales and Cornwall, the Celtic influence is still alive and well.
