The Rotary Club of Bomaderry

They need our help!!

The Bomaderry Rotary Club will again be manning the entry gates at the 2019 Nowra Show on the Friday 8th and Saturday 9th of February. I am asking fellow Rotarians to help make this possible. We have 4 gates to man and 2 to 4 people on each gate at different times. The job entails collecting the entrance fee and handing a wrist band to those people. The days start at 6-30am and go to 9pm each day. Most shifts are 2,3 or 4 hours long or whatever time you can spare. If you or someone you know are able to help us we would appreciate it.

Thank you for being such a great supporter of everything that Bomaderry Rotary do.

I look forward to hearing from you soon.

THE PARTY UNDER THE GRANDSTAND

A top night, it was and catered for by Madam President Ros and her happy gang of helpers. Their immaculately BBQ'd steaks lovingly presided over by none other than the President himself and sausages done to a turn by Grahame Sweeney—just to see him in action was a sheer delight .

Salads of all description were plentiful as were the after dinner sweet things.

It all started with some of the best cheese board creations one could wish for.

It was a credit to those who organised it all and did the hard yards, congratulations on a job very well done.

Pres. Peter orchestrated a magnificent version of The “Twelve Days of Christmas “ the like of which had to be seen to be believed. Just how he organised everyone present to sing their part in groups of four was nothing short of absolutely hilarious.

The Chris Kringle gift giving created quite a stir when the strap-on boobs emerged and when placed in position on the recipient did not create a pretty sight.

HERE'S WHAT OUR NEIGHBOURS ARE DOING

Statistics reveal two out of three Australians will develop a skin cancer in their lifetime, with Melanoma killing more young Australians (15 to 39-year-olds) than any other single cancer. With early detection, more than 95 per cent of skin cancers can be easily treated. The Rotary Clubs of Kiama and Gerringong, with the support of a local benefactor, have taken action in the early detection of skin cancer in our area. In the last six months they have conducted three free skin screening sessions in Kiama and Gerringong providing full skin checks. The next free screening will be at the Presbyterian Church Hall in Kiama, on the corner of Shoalhaven and Terralong Streets, on Sunday, April 29 between 12pm and 3pm. Local GPs, Dr Robyn Dalley, Dr John McAlpine, Dr Brian Cox and Dr Mark Burgess have volunteered their services. Of the 185 people screened, so far, almost 30 per cent have been referred to their GPs for further investigation of skin lesions. Unfortunately, we have two confirmed reports of Melanomas from those who have been screened. Both have had good outcomes as a result of early detection. Melanoma is the fourth most common cancer diagnosed in Australia and Australia has one of the highest incidence rates of melanoma in the world. Rare melanomas can occur in parts of the skin or body that have never been exposed to the sun. Melanoma is the most prevalent cancer in young people. In 2013, 12,744 new cases of melanoma were diagnosed in Australia, accounting for nearly one in ten cancer diagnoses. There were 1467 deaths due to melanoma in Australia in 2014. Early detection saves lives and it could be yours or someone you love. If you cannot attend the free screening take the time to make an appointment for a skin review with your GP or a GP who has specialised in skin cancer detection, today.

The world needs Rotary, and Rotary needs strong clubs and engaged members in order to do more good. It is our responsibility — yours and mine — to make sure everyone who shows an interest in joining Rotary gets an invitation.

Make use of the Membership Leads tool on My Rotary, which helps people who are interested in joining Rotary connect with a club that's right for them. And let's ensure that every member has a reason to stay.

By building strong clubs that engage in meaningful projects and have fun along the way, we provide value to our club members that they can't find anywhere else. Let's not keep Rotary's story to ourselves.

I challenge you to invite leaders of all ages, men and women who are looking for a way to give back. By doing so, you will be the Inspiration in your community and help Rotary continue to do good in the world.

Here We Go Again.

Joe passed away. His will provided \$30,000 for an elaborate funeral. As the last guests departed the affair, his widow Helen, turned to her oldest friend, Jodi. "Well, I'm sure Joe would be pleased," she said. "I'm sure you're right," replied Jody, who lowered her voice and leaned in close. "How much did this really cost?"

"All of it?" said Helen. "Thirty thousand."

"No!" Jody exclaimed. "I mean, it was very nice, but \$30,000?"

Helen answered, "The funeral was \$6,500. I donated \$500 to the church. The wake, food and drinks were another \$500. The rest went for the memorial stone."

Jody computed quickly. "\$22,500 for a memorial stone? My God, how big is it?!"

"Two and a half carats."

One night a teenage girl brought her new boyfriend home to meet her parents, and they were appalled by his appearance: leather jacket, motorcycle boots, tattoos and pierced nose.

Later, the parents pulled their daughter aside and confessed their concern. "Dear," said the mother diplomatically, "he doesn't seem very nice."

"Oh please, Mom," replied the daughter, "if he wasn't nice, why would he be doing 500 hours of community service?"
